In-person Summer Enrichment

Program Presentation – Summer 2021

*AS YOU KNOW MORE
YOU GROW MORE..*

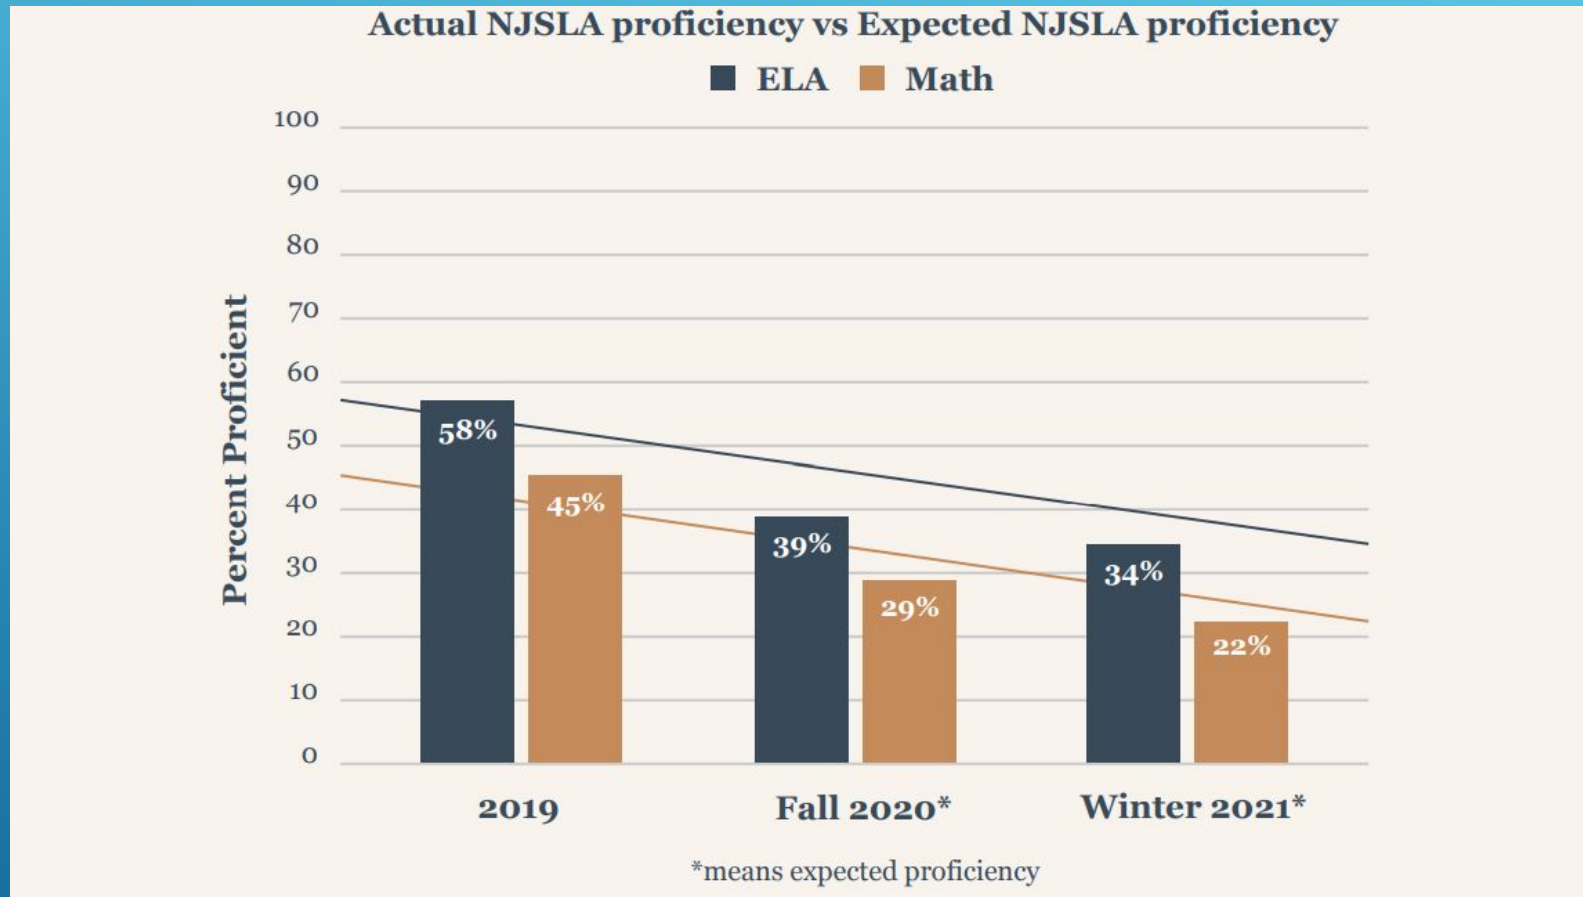

OBJECTIVE

The goal of the Summer Enrichment program is to accelerate scholars that have demonstrated a “Pandemic Loss.”

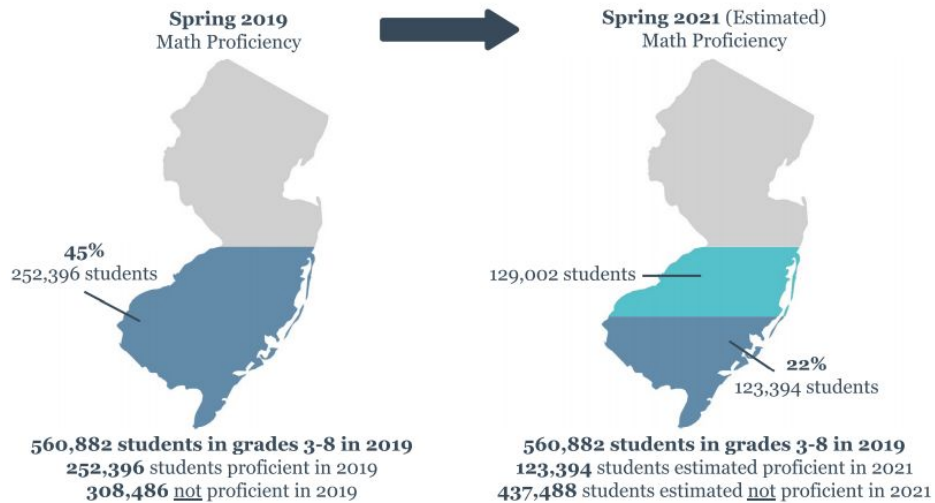

A decorative graphic consisting of several parallel white lines of varying lengths, slanted upwards from left to right, located in the bottom right corner of the slide.

The Need pg. 1

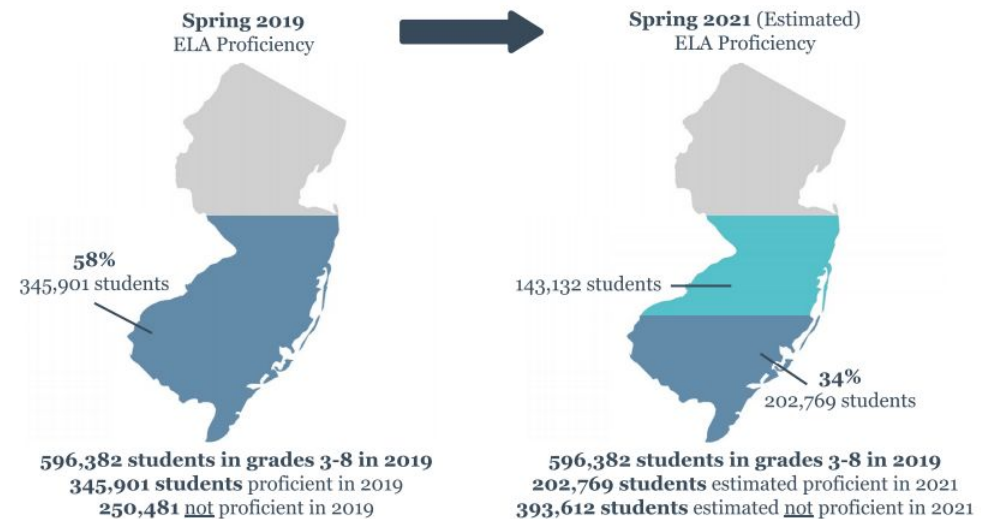

The Need pg. 2

These findings estimate that if state tests were given this Spring, **129,002** fewer NJ students in grades 3-8 would meet grade levels in Math, bringing the total number of students not proficient to **437,488**

These findings estimate that if state tests were given this Spring, **143,132** fewer NJ students in grades 3-8 would meet grade levels in ELA, bringing the total number of students not proficient to **393,613**
