GOOGLE SLIDES PROJECT

DUE DATE: FRIDAY, MAY 22ND

1. Pick only 1 holiday
 - a. Cinco de Mayo
 - b. Independence Day
 - c. Memorial Day
2. Create a Google slide presentation on the holiday you choose.

*Google slides can be found in the apps section of the Google. There are 9 little dots at the top. Click on the slides app and click create new. Kids can be creative when making their slides. (I will be going over some of this in our live sessions).
3. Slide 1: should be your name, homeroom, and the title of your project
4. Slide 2: a brief description about your holiday. (5-8 sentences). This should be in a paragraph form.

Some things to include:
What does the holiday mean?
How did the holiday come about?
How was the holiday created?
5. Slide 3: 5 fun/interesting facts about your holiday

You will need to pick one of the three holiday's I have given to research and look up information on the internet before you start your project on Google slides. This week you should be working only on your gathering your information to create your slides. You will be able to get as creative as you want for your slides. Adding pictures is a **BONUS!** Please remember to use spell check before you submit your work. **Have fun and BE CREATIVE!**

*During our weekly meetings I will go over how to create slides and help with any questions. Remember you can always YouTube video's to help you with your slide show.

Please make sure you are working at least 30 minutes a day on your Social Studies assignments. If you have any questions or concerns please message me through Google classroom or on classroom Dojo. I will help you as best as I can. Do not wait until the last minute to start your assignments and log into your accounts.

****remember you can always log into your Moby Max accounts and work on Social Studies in there and also your Achieve 3000 accounts and continue earning your points.**
