### ATTENDANCE

Students are expected to be present on all days that the Burch Charter School of Excellence is in session. The Burch Charter School of Excellence is required to comply with New Jersey policy NJSA 18:38:26, which requires regular attendance if a student is to receive full credit for any course.

Students must be present for instruction from 8:00 a.m. - 3:30p.m. School is dismissed promptly at 3:30 p.m. Scholars are marked tardy if they arrive to school after 8:10 a.m.

## **ABSENTEEISM**

There are two general categories of absences:

**Excused Absences** - Examples of excused absences are illness, religious observance and family emergencies. If an absence is excused, the student is permitted to make up class work assignments, including quizzes and tests.

**Unexcused Absences** - When a student misses school for family vacation or other reasons that do not fit in the above categories the student is marked absent. Upon the student's return to school, parents must provide proof of excused absence. (i.e.; doctor's note, obituary, etc.) If a student is going to be absent from school, the parent/guardian must notify the school by 9:00 a.m. To report an absence, parents must call the main office at (973) 373-3223. The Social Services Department will investigate all absences of three or more consecutive days.

***The student is at risk of being retained after 18 absences.*** *(Chronic absenteeism is defined as missing 10 percent or more of a school year -- approximately 18 days a year, or just two days every month which can lead to a scholar being retained).*

## **TARDY**

The instructional day starts promptly at 8:00 a.m., any students arriving after 8:00 a.m. are considered tardy. Students who are tardy must be accompanied by a parent to the main office to sign in and receive a late pass.

Excessive tardiness will result in:

- a. Three (3) or more days of tardiness, in a cycle, will result in a letter being sent home by the attendance clerk.
- b. Five (5) days of tardiness is equivalent to one day of absenteeism.
- c. Continued infractions will result in additional consequences, including possible referral to the Irvington Municipal Court System.

## **EARLY DISMISSAL**

The school day ends at 3:30 p.m. and students are expected to remain in school all day while school is in session. However, we understand that circumstances arise that may make it necessary for a student to be dismissed early. No student shall be permitted to leave the school before the close of the school day unless he/she is accompanied and met in the school office by his/her parent/guardian or a person authorized in writing by the parent/guardian to act on his/her behalf.

- An early dismissal shall be considered unexcused unless for the following reasons:
  - Medical or dental appointments which cannot be scheduled outside of school hours documented by a doctor/dentist note
  - Medical disability documented by a doctor's note
  - Family emergency documented by a parent's note
  - Court appearance documented by a court subpoena
- Requests for excused early dismissals for any other reason must be submitted to the School Administrator or his/her designee for approval prior to the student's dismissal from school.
- Early dismissals for reasons not listed above or early dismissals that are not accompanied by the required documentation prior to the student's dismissal from school are considered unexcused.
- **Three (3) unexcused early dismissals will be equivalent to one (1) unexcused absence and may put the student at risk of retention.**

## SCHOOL CLOSING

In the event of an emergency or hazardous weather conditions, school may be dismissed. On mornings in question, the local radio and television stations will announce the decision as early as possible. The Burch Charter School of Excellence follows the Irvington Board of Education's protocol when school is closed due to inclement weather conditions. When the Irvington Public Schools are closed due to inclement weather the Irvington Fire Department will sound an alarm at 6:30 a.m. and again at 7:00 a.m. This notifies the township that the school district is closed for the day.

School closing will also be posted on the school websites: [www.burchcharterschool.org](http://www.burchcharterschool.org) and [www.irvington.k12.nj.us](http://www.irvington.k12.nj.us) and on local television stations:

### Closing Information Stations

WNBC TV – Channel 4  
 WABC TV – Channel 7  
 CABLE TV – Channel 36

FOX 5 WNYW – Channel 5  
 NEWS 12 NJ – Channel 12

If for any reason, the Burch Charter School of Excellence has an emergency closing during the school day (*e.g.* snowstorm, power outage, etc.), the school staff will contact the parents/guardians.

## **HEALTH**

The purpose of the health office is to maintain, improve and promote the health of the children.

### **School Nurse**

The School Nurse will give emergency treatment to those children injured on the playground, in the classroom or in the school building. If students need to visit the Nurse because they feel ill, they first must get a pass from their classroom teacher. If the nurse determines that the student is too ill to remain in school the nurse will contact the parent/guardian to pick them up. Students who are sent home from the nurse's office may not participate in after school activities that day. The Burch Charter School of Excellence mandates that all parents/guardians refrain from bringing any/all food into our school for classroom parties/celebrations due to allergy concerns.

### **Immunization**

The state of New Jersey requires all children in public school to be immunized against certain vaccine-preventable diseases. Parents are required to provide a Doctor's certificate stating the month, day and year each immunization was administered.

Students who do not have the required immunizations may be granted a 30-day provisional admittance by the school nurse in compliance with regulations set forth in NJAC 8:57-4.10. This admission is granted with the understanding that the parents/guardians fully intend to continue with the immunization series until all State required immunizations have been received.

### **Medication/prescriptions**

All medications given during school hours require prescriptive authority and parent/guardian signed permission. This is required for both over-the-counter and prescription drugs. Any medications given at Burch Charter School must be administered through the nurse's office.

Medication will be supplied by the parent and will be administered with the completion of the required paperwork.

- a. Medication must be in original container with the student's name.
- b. Any change to the medication will require a new order.
- c. Parent/guardian is responsible for checking their child's medicine in and out of school.
- d. Only prescribed medications will be administered during specific school hours.
- e. Medication administration forms will be updated at the beginning of each school year or as needed.

## **Inhalers**

Students with the diagnoses of asthma who require the use of inhalers must keep an inhaler in the health office. Inhalers must be kept in their original prescription box. An asthma action plan/permit must be completed and signed by the parent. Qualified students will be allowed to carry their inhalers with the appropriate documentation signed by the parent and physician.

## **Illness**

If a child has any of the following symptoms, he/she should not attend school. If the student has these symptoms, they will be removed from the classroom and the parent/guardian will be contacted:

- Constant runny nose
- Severe pain or discomfort
- Acute diarrhea
- Acute vomiting
- Elevated oral temperature of 101.5F
- Yellow eyes or jaundiced skin
- Blood in urine
- Red eyes with discharge
- Skin rashes lasting more than 24 hours
- Swollen joints
- Severe coughing
- Shortness of breath

## **COMMUNIABLE DISEASES**

When a child is absent from school due to a communicable disease, the parent should call the office with that information. This is particularly important if the child has chicken pox, measles, strep throat, influenza, impetigo, pink eye, ringworm, etc. A written excuse should accompany your child when he/she returns to school.

*Your child will not be re-admitted into school without a doctor's note.* Please stop into the nurse's office when returning your child that has been sick.

**\*\*If a child has limitations to participate in school activities, it is necessary to submit a written notice to the nurse to be excused. Continued limitations will require a medical doctor's written excuse to be kept on file.**

## CONTACT TRACING

Contact tracing is the process used to identify those who come into contact with people who have tested positive for many contagious diseases, including COVID-19. Contact tracing is used by health departments to prevent the spread of infectious disease. In general, contact tracing involves identifying people who have an infectious disease (cases) and their contacts (people who may have been exposed) and working with them to interrupt disease transmission. For COVID-19, this includes asking cases to isolate and contacts to quarantine at home voluntarily.

All procedures will adhere to applicable federal and state law and regulations regarding privacy and the confidentiality of records.

Contact tracing for COVID-19 typically involves:

- A. Interviewing people with COVID-19 to identify everyone with whom they had close contact during the time they may have been infectious;
- B. Notifying contacts of their potential exposure;
- C. Referring contacts for testing;
- D. Monitoring contacts for signs and symptoms of COVID-19; and
- E. Connecting contacts with services they might need during the self-quarantine period.

To prevent the further spread of disease, COVID-19 contacts are encouraged to stay home and maintain social distance (at least 6 feet) from others until 14 days after their last exposure to a person with COVID-19. Contacts should monitor themselves by checking their temperature twice daily and watching for symptoms of COVID-19.

The school nurse shall consult with the local health department in the development, review and revision of the district contact tracing policy and procedures. The school nurse and the building principal are the designated staff liaisons responsible for providing notifications and carrying out other components of the board's contact tracing policy.

The school nurse in consultation with the building principal shall establish measures for a system of open communication that allows staff, students, and families to self-report symptoms and/or suspected exposure.

A staff member shall immediately notify the principal and the school nurse when he/she observes symptoms consistent with COVID 19 or becomes aware that an individual who has spent time in a district facility tests positive for COVID-19. The school nurse shall immediately notify local health officials, staff, and families of a confirmed case while maintaining confidentiality when the COVID-19 test is positive.

When the individual exhibits symptoms the school nurse will ensure that the student is taken to the designated isolation area. The nurse will examine the individual and may refer them for testing and treatment. A student exhibiting symptoms of COVID 19 may be required to submit to a COVID 19 test. The school nurse shall require the certification of a physician that the student is contagion free before readmitting a student to school. The nurse shall report all students testing positive for COVID 19 to the health department. The health department shall conduct the contact tracing.

Symptoms of COVID 19 include:

- A. A fever of 100° F or greater;
- B. Cough;
- C. Shortness of breath or difficulty breathing;
- D. Chills;
- E. Repeated shaking with chills;
- F. Muscle pain;
- G. Headache;
- H. Sore throat;
- I. New loss of taste or smell;
- J. Fatigue;
- K. Congestion or runny nose;
- L. Nausea or vomiting;
- M. Diarrhea

All school and district administrators, school safety specialists, counselors, and any other staff deemed appropriate by the school and district, shall be provided information regarding the role of contact tracing in keeping school communities safe from the spread of contagious disease.

The school nurse or his or her designee shall make information available and/or conduct virtual information sessions to educate the broader school community on the importance of contact tracing.

## **LUNCH/ BREAKFAST PROGRAMS**

Breakfast is served each morning between 8:00 a.m. – 8:15 a.m. No breakfast will be served after this time. Burch Charter School of Excellence is currently participating in the United States Department of Agriculture Community Eligibility Program (CEP) where all students are free for the food program. At the beginning of each school year, parents are required to complete a survey for the New Jersey Department of Education to determine income for School Aid purposes.

Students who do not participate in the lunch program may bring lunch from home. No glass containers or bottles. Please pack nutritious food for your child.

## **GRADING SYSTEM**

Information on the educational progress of your child will be reported to parents on a regular basis.

1. Parent-Teacher conferences are scheduled twice per school year; however, conferences may be arranged at any time a need arises.
2. Communication will also be made on a regular basis regarding possible student retention
3. Report cards will be issued four times a school year.

Students are advised not to bring valuables or large amounts of money to school. Students, not the school, are responsible for their own personal property. Articles of clothing and personal belongings should be marked with the student's name.

Toys or electronic devices used as toys must not be brought to school unless they are to be used in a class activity. Such items should be taken to the teacher's room and left there until the end of the day. They are not to be used outside the classroom at any time.
